

## Let's talk about Early Reader Books

There are many different levels of Early Readers. Each publisher has its own method for designating reading level.

### Levels

**Pre-K:** For children who are just being introduced to reading. Very simple sentences with 1-3 words.

**Level One:** Very simple sentences with 3 or more words.

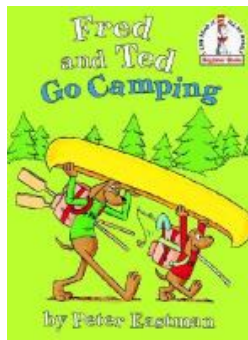

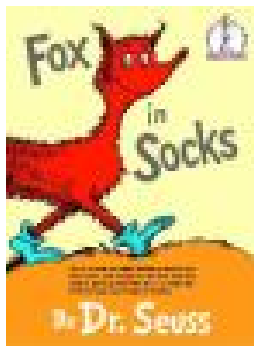

**Level Two:** Longer sentences, more complex plots and an occasional unfamiliar word.

**Level Three/Four:** Beginning chapter books which are located in the Juvenile Fiction collection.

Bob Books Set 1 • Beginning Readers. are very simple.. Words used in these books are no more than 4 letters long.

Bob Books Set 2, Set 3, Set 4 and Set 5 build on each other, with enough repetition so reading becomes comfortable and easy.

My First Bob Books build pre-reading skills: letters of the alphabet, letter sounds, and letter patterns.

The Bob Books are located in the Early Reader (ER) Collection under **Maslen**.  
The books are packaged as sets.

### Danny Books

Danny Books will provide a springboard for conversation and build reading confidence.

Levels A-C : Very Beginning Readers  
Levels D & E: Emergent Readers

The Danny Books are located in the Early Reader (ER) Collection under **Coulton**.

The books are packaged as sets.
