SIP & SPELL

— A SPELLING BEE FOR ADULTS (AGES 18+) —

Sip & Spell Official Rules

Contestants must be 18 years or older.

Contestant order is in the order of registration. Sign-up begins when the doors open before the start of the contest and will end 15 minutes before the contest begins. Registration is limited to the first 100 registrants.

The words for spelling are pulled from dictionary.com whose main source is the Random House Unabridged Dictionary. This serves as the final authority for the spelling of words. If more than one spelling is listed for a word, any of these spellings will be accepted as correct if the word either matches the pronunciation and definition provided by the Pronouncer, or if it is clearly identified as being a standard variant of the word that the contestant has been asked to spell. Spellings from other locations having archaic, obsolete, or regional labels (such as North, Midland, Irish) that are different from those at the main entry will not be accepted as correct.

When the word is a homonym or homophone, only the correct spelling for the word defined and used in the sentence will be accepted.

No electronic devices may be used on the stage unless you have purchased a 20 Seconds with a Smartphone Cheat (see pg. 2)

Contest will be single-error elimination. To avoid elimination, contestants may purchase Cheats. See more information about Cheats on page 2.

The Pronouncer will say the word, use it in a sentence, and then pronounce it once more. Contestants may ask for the word's definition and language of origin. The contestant may ask for only one additional pronunciation of the word.

The contestant is encouraged to pronounce the word before spelling it and after spelling it.

Contestants may have 30 seconds to spell the word, but time limits are subject to change.

Having started to spell a word, the contestant may stop and start over, retracing the spelling from the beginning; however, the letters and/or sequence may not be changed in the respelling. If they are, the spelling will be judged as incorrect.

If the contestant believes the judges made an erroneous decision, an oral appeal must be made before the next round begins. The judges' decision is final on all questions.

The contest will be conducted in rounds. Each contestant remaining in the Spelling Bee at the start of a round will spell one word in the round. If none of the contestants correctly spells a word in that round, all will remain in the competition and continue spelling in their original order. All contestants eliminated in the same round will be tied for the same place.

CHEATS:

Cheats may be purchased before the event during the registration period. Contestants may only purchase one of each type of cheat during registration.

The contestant will be given a card at registration for each cheat purchased. These cards may only be used once and must be turned in once used.

Cheats may not be used in final rounds. Final rounds are declared at the judges' discretion.

The following cheats will be made available for purchase:

1. **\$3: Ask a Friend.** Contestant may ask someone in the audience to spell the word. The friend may not use any reference materials, including phone, books, or computer.
2. **\$5: 20 Seconds with a Smartphone.** Contestant will be given 20 seconds to use their phone to look up anything that will help them spell the word.
3. **\$7: Next Word, Please.** Once a word is given to a contestant, and *before starting to spell*, contestant may ask for the “next word”.
4. **\$10: Mulligan.** Contestant may remain in the contest after misspelling a word.
5. **\$20: Big Cheat Deal.** Get one each of four cheats: “Ask a Friend”, “20 Seconds with a Smartphone”, “Next Word, Please”, and “Mulligan”.

END-OF-THE-BEE PROCEDURE:

If all contestants in a round misspell, all remain in the competition and a new round begins. When only one contestant spells correctly, a new one-word round begins. If the contestant correctly spells the word, the speller is declared the champion. If the contestant misspells the word in the one-word round, a new round begins with all contestants who spelled correctly and incorrectly from the previous round; contestants will continue spelling in their original order.

Exception to End-of-the-Bee Procedure: If unable to eliminate to only one contestant in a timely manner (as determined by Bee organizers), the start of the “Championship Rounds” will be declared and all spellers remaining will be part of these rounds. In the Championship Rounds, contestants will take turns spelling a predetermined number of words. Contestants will continue spelling until eliminated or there are no more words left, whichever comes first. Contestants not eliminated after all words have been used will be declared the winners of the contest.
