

LOAN HISTORY INFORMED CONSENT

In requesting the Corvallis-Benton County Public Library, hereafter referred to as the Library, turn on the loan history feature; also referred to as the “record”. I understand and agree to the following:

1. Once the record is turned on it will stay on until I request, in writing that it be turned off. The Library will keep this consent form on file until such time as the record is no longer on file with the Library.

2. “My Account” is normally only accessible to library staff in the course of conducting necessary library business and myself. However, I understand that by creating this record, the Library, may be required to disclose it to other parties without informing me and that there is also a risk the Library might disclose it accidentally.

I hereby acknowledge I have received a copy of these terms and conditions and understand and accept the risk; waiving any claim against the Library caused by any disclosure.

Patron Signature	Account Number	Date
