- 2 *Authorize OMC with an Adobe ID*. Swipe from left to right to open the home menu, then tap **Settings**.

This step is required for reading ebooks on your iOS or Android device. It is not required for audiobooks or for ebooks on the Kindle Fire.
- 3 *Find Library2Go*. Swipe from left to right to open the home menu, then tap **Add a library**. Tap the star to save Oregon Digital Library Consortium to your home menu.
- 4 *Extend the default loan period* (optional). Follow step 1 below, then tap **Account** and **Settings**. Select 21 days and tap **Save**.

Borrowing ebooks & audiobooks

- 1 *Go to Library2Go*. Tap **Add a Title**, or tap **Oregon Digital Librarian Consortium** in the home menu to start browsing. Sign in to Library2Go by tapping **Sign In** (upper-right corner). Your PIN is the last 4 digits of your library card number.

- 2 *Borrow a book*. Tap a book cover, and tap **Borrow**. Tip: Use the **Available Now** filter to hide checked-out books.

Books will self-return at the end of the loan period. They cannot be renewed, but a book can be borrowed again if there are no holds on it. There is a limit of 6 items borrowed and 6 items on hold.

- 3 *Download the book*. Find borrowed books under **Account** on Library2Go. EPUB ebooks, PDF ebooks and audiobooks will download directly to OMC. Kindle books will check out on the Amazon website and transfer to your Kindle or Kindle reading app.
- 4 *Read the book*. Swipe from left to right to open the home menu, then tap **Bookshelf**, and tap the cover of the book.
- 5 *Return the book early* (optional – books will self-return at the end of the loan period). Swipe from left to right to open the home menu, then tap **Bookshelf**. Press the cover of the book until a menu appears, and tap **Return**.
