

Baggott, Julianna. **Pure**

In a post-apocalyptic world, Pressia, a teenage survivor with a doll's head fused onto her left hand meets Partridge, a "Pure" dome-dweller who is searching for his mother, sure that she has survived the cataclysm.

Black, Jenna. **Replica**

Nadia lives a privileged and controlled life in the Corporate States, formerly the United States of America. When her betrothed is killed and replicated by his powerful father - perfectly and exactly himself again but missing certain memories - they set out to find out who killed him and why.

Collins, Suzanne. **The Hunger Games**

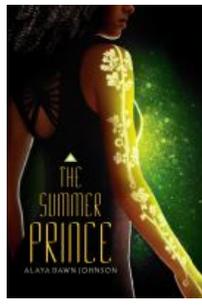

In a future North America, twelve boys and twelve girls are chosen each year to take part in the Hunger Games. Katniss's skills are put to the test when she voluntarily takes her younger sister's place.

Condie, Ally. **Matched**

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black.

Dashner, James. **The Eye of Minds**

Michael is a gamer. And like most gamers, he spends more time on the VirtNet - a virtual world with hyperadvanced tech - than in the actual world. When he witnesses another player's in game suicide, Michael is drafted by VirtNet Security to find a rogue gamer that's holding other players hostage in the net.

DeStefano, Lauren. **Wither**

After science turns every human into a genetic time bomb with men dying at age twenty-five and women dying at age twenty, girls are kidnapped and married off in order to repopulate the world.

Dunkle, Clare. **The Sky Inside**

Every year a new batch of genetically-engineered children is shipped out to meet their parents. Every spring the residents take down the snow they've stuck to their windows and put up flowers. Martin lives in a perfect world - and it's all about to come crashing down.

Fisher, Catherine. **Incarceron**

To free herself from an upcoming arranged marriage, Claudia, the daughter of the Warden of Incarceron, a futuristic prison with a mind of its own, decides to help a young prisoner escape.

Hirsch, Jeff. **The Darkest Path**

Johnson, Alaya Dawn. **The Summer Prince**

In a Brazil of the distant future, June and her best friend Gil both fall in love with Enki, a fellow artist and rebel against the strict limits of their matriarchal government, knowing that, like all Summer Kings before him, Enki is destined to die.

Kacvinsky, Katie. **Awaken**

In the year 2060, when people hardly ever leave the security of their houses and instead do everything online, Madeline Freeman, the daughter of the man who created the national digital school attended by all citizens, is wooed by a group of radicals who are trying to get people to "unplug."

Kinch, Michael. **The Blending Time**

In the harsh world of 2069, friends Jaym, Reya, and D'Shay are chosen to help repopulate Africa as their mandatory Global Alliance work, but civil war and mercenaries threaten their very lives.

London, Alex. **Proxy**

Syd is a proxy for the wealthy teen Knox: he takes his punishments so Knox never suffers. But Knox's life is not his own either, and the two decide that the only way to beat the system is to flee together.

McCafferty, Megan. **Bumped**

In 2036, when teens are expected to become fanatically religious wives or high-priced Surrogettes for couples made infertile by a widespread virus, twins Melody and Harmony find in one another the courage to believe they have choices.

Ness, Patrick. **The Knife of Never Letting Go**

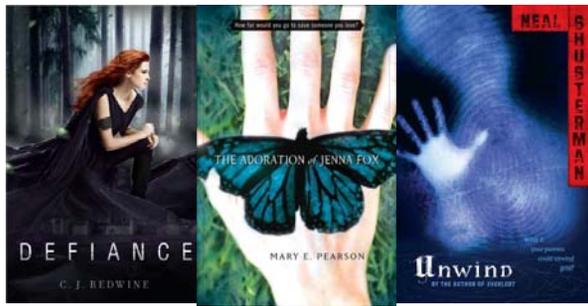

Todd Hewitt lives in a world in which all women are dead, and the thoughts of men and animals are constantly audible as Noise. Todd is just a month away from becoming a man, but he knows that the town is hiding something awful from him.

O'Brien, Caragh. **Birthmarked**

Sixteen-year-old Gaia and her mother faithfully deliver their quota of three infants every month. But when Gaia's mother is brutally taken away by the very people she serves, Gaia must question whether the Enclave deserves such loyalty.

Oliver, Lauren. **Delirium**

Lena looks forward to receiving the government-mandated cure that prevents the delirium of love and leads to a safe, predictable, and happy life, until ninety-five days before her eighteenth birthday and her treatment, when she falls in love.

Teenaged Amy, a cryogenically frozen passenger on the spaceship Godspeed, wakes up to discover that someone may have tried to murder her.

Roth, Veronica. **Divergent**  
In a future Chicago, Beatrice must choose among five predetermined factions to define her identity for the rest of her life, a decision made more difficult when she discovers that she is an anomaly.

Shusterman, Neal. **Unwind**  
In a future world where those between the ages of thirteen and eighteen can be "unwound" and their body parts harvested for use by others, three teens go to extreme lengths to save their own lives.

Singer, Nicky. **Gem X**  
Teenage Maxo, the most perfect human ever made, suddenly discovers a "crack" in his face, which leads him to expose his community's dark underworld of secret scientific research.

Stratcher, Cameron. **The Water Wars**  
Would you risk everything for someone you just met? What if he had a secret worth killing for? Welcome to a future where water is more precious than oil or gold...

Wendig, Chuck. **Under the Empyrean Sky**  
Angry with the oppressive dictates of the Empyrean government, Cael discovers a secret, illegal garden and makes a choice that will bring down the wrath of the Empyrean elite and change life forever.

Westerfeld, Scott. **Uglies**  
Just before their sixteenth birthdays, when they will be transformed into beauties, Tally's best friend runs away. Tally must find her and turn her in, or never become pretty at all.

Williams, Sean. **Twinmaker**  
Can you really change your body just by carrying around a coded note? Sure - the advanced technology of a d-mat booth will transport you anywhere instantly, but can it also make you taller, stronger, more beautiful? Clair is pretty sure the offer is too good to be true. But her best friend, Libby, is determined to give it a try, longing for a new, improved version of herself.
